

The owner of this certificate has participated in a project supported by the European Union Erasmus+ programme. Erasmus+ supports the educational, professional and personal development of individuals in the education, training, youth and sport fields. It offers opportunities for learning mobility and active participation for young people, as well as professional development and cooperation for youth workers and youth work organisations.

MYROSLAVA HARAI DYCH

born on 11/05/2003 in Perechyn

participated in the Youth Exchange

BEYOND THE BORDERS

in Rzeszów, Poland

from 23/01/2023 to 27/01/2023

About the project

The "Beyond the Borders" program was based on non-formal methods. It was composed of social games, team building, media-related workshops, and cultural visits. We focused on sharing our cultures and skills with others and learning from each other while having a lot of fun!

This certificate has been issued by Stowarzyszenie Projektów Międzynarodowych "INPRO".

Youthpass

Makes your learning visible

LEARNING CONTEXT

Youth Exchanges supported by the Erasmus+ programme offer groups of young people from different countries an opportunity to jointly design, prepare and carry out a non-formal learning programme on a topic of their interest. This usually involves a mix of workshops, debates, role-plays, simulations and outdoor activities. The learning process, which is supported by youth workers and leaders, includes the preparation, implementation and follow-up of the exchange.

COMPETENCES DEVELOPED BY MYROSLAVA HARAI DYCH

The following summary is the result of a reflection and self-assessment process which took place during and after the project in dialogue with the peer Erika.

Multilingual competence

I learnt to communicate in English without obstacles, understand other similar to my languages

Personal, social and learning to learn competence

I learnt to be a team player, manage conflicts without violence, cope with different obstacles

Citizenship competence

after days that I spent here, I realize how it is important to understand social, economic, legal and political concepts as well as global developments and sustainability and how to be a part of social life

Cultural awareness and expression competence

I realized that all of us are totally different not only as a person, but our cultures. at the same time we have really a lot of in common. I found out many interesting things about other cultures, broke a lot of stereotypes about other cultures.

Digital competence

I learnt to use digital technologies in responsible way

The competence description in Youthpass is based on the European Union framework for Key Competences for Lifelong Learning:
<https://education.ec.europa.eu/focus-topics/improving-quality-equity/key-competences-lifelong-learning>

Mathematical competence and competence in science, technology and engineering

I learnt to use mathematical thinking to solve problems in everyday situations, for example when I had to deal with currency problems while buying smth.
