

CALIFORNIA STATE UNIVERSITY CHICO AND UZHGOROD NATIONAL UNIVERSITY

have the honour to award this **CERTIFICATE** to

YULIJA PANFILOVA

for

participation in the COIL virtual exchange project

«SMALL GROUP COLLABORATION USING THE PRINCIPLES OF NONVIOLENT COMMUNICATION»

September – December, 2022

Within the framework of the project participants have gained **the following skills:**

- being able to use active and empathic listening in small groups;
- being able to identify the difference between patterns of violent communication and nonviolent communication
- being able to communicate in a group setting using Nonviolent Communication principles

The project was implemented by professor **Sue E. Peterson** (California State University Chico, the USA) as part of the course «Small Group Communication» and senior professor **Antonina Bulyna** (Uzhgorod National University, Ukraine) as part of the Nonviolent Communication Course (with the involvement of literary texts) whose duration was 30 hours (1 ECTS).

Vice-rector for scientific and pedagogical activities

Project coordinator

Myroslava LENDEL
