

Dear colleagues!

It is an honour and pleasure to invite you to the II **International scientific conference «Environmental safety of the Carpathian Euroregion»** that will be held from **May 13 to 15, 2025** at Uzhhorod National University, Uzhhorod, Ukraine.

Its aim is to promote scientific contacts and discussions between researchers from various fields of environmental science.

The official languages of the Conference are English and Ukrainian.

The work at the conference will proceed in following scientific topics:

1. *Environmental safety and environmental monitoring.*

2. *Eco-friendly technologies, green chemistry, materials and methods for environmental protection.*

3. *Economic and legal aspects of sustainable development of the Carpathian Euroregion.*

4. *Consequences of russia's military aggression against Ukraine: social and humanitarian, economic and environmental aspects.*

Conference Program will include:

Plenary lectures (up to 30 minutes) – in English and Ukrainian;

Oral presentation (up to 10 minutes) - in English and Ukrainian;

Poster presentations (paper size A1) - in English or Ukrainian.

Accepted abstracts will be published in the Abstract Ebook. The selected abstracts will be recommended for publication in the form of a full paper in **Scientific Bulletin of the Uzhhorod University. Series “Chemistry”** (category B): www.visnyk-khim.uzhnu.edu.ua
